Dear Mr. Turner,

On behalf of our patients, their families and our staff, thank you for your recent donation of toys, puzzles, board games, baby gifts, hotwheels and books donated by the Florida Land Rover Club. As you may know, many of our children had to spend Christmas day here at All Children's Hospital. Thanks to your help, each one of those children were able to wake up on Christmas morning with presents left at their bedside from Santa Claus.

It is through the generosity and kindness of people like you that helps bring smiles to our young patients ... helping to ease the anxiety they face with being away from home. The families of our young patients are also grateful for the wonderful outpouring of love and unselfishness that our community shares with All Children's Hospital.

Best wishes for a very happy and safe New Year!

Sincerely,

Mary Jane Miscuk
