This brochure is designed to provide the public with information and a summary of regulations pertaining to hunting and other recreational use on the Citrus Wildlife Management Area. **Regulations that are new or differ substantially from last year are shown in bold print.** Area users should familiarize themselves with all regulations. For exact wording of the wildlife laws and regulations, see the Florida Fish and Wildlife Conservation Commission's wildlife code, on file with the Secretary of State and state libraries. This brochure, the Florida Hunting Regulations handbook, and quota permit worksheets should provide the information necessary for you to plan your hunting activities. These publications are available from any Commission office, county tax collector and at MyFWC.com.

Persons using wildlife management areas are required to have appropriate licenses, permits and stamps and display them upon request of any Commission employee. The following persons are exempt from all license and permit requirements (except for quota permits when listed as "no exemptions", recreational use permits and the Migratory Bird Hunting and Conservation Stamp [federal duck stamp]). Florida residents who are 65 years of age or older; residents who possess a Florida Resident Disabled Person Hunting and Fishing Certificate; residents in the U.S. Armed Forces, not stationed in Florida, while home on leave for 30 days or less, upon submission of orders; and children under 16 years of age. Children under 16 years of age are exempt from the federal duck stamp.

Hunting, trapping and fishing licenses, and management area, archery, muzzleloading gun, wild turkey and state waterfowl permits may be purchased from county tax collectors, license agents, the Internet at MyFWC.com/license or by telephone at 1-888-486-8356. A no-cost Migratory Bird Permit is available when purchasing a hunting license. Any waterfowl hunter 16 years of age or older must possess a federal duck stamp; available at most post offices or at duckstamp.com.

Any remaining permits are issued first-come, first-served. A limited number of antlerless permits may be available for selected Wildlife Management Areas. Refer to the worksheet for additional information.

A worksheet with a list of available permits may be obtained 1 - 2 weeks before each application period from FWC offices, tax collectors, license agents and online at MyFWC.com. Application for random drawings begins 10:00 a.m. eastern time on the first day of the application period and ends midnight eastern time on the last day. **Archery/Muzzleloading Gun and General Gun** quota permit applications may be submitted June 1 - 11. **Spring Turkey** quota permit applications may be submitted October 31 - November 9.
